SUBJECT: Wireless Communication Facilities Additional Amendments

The public hearing on the Wireless Communication Facilities preliminary recommendations is scheduled for your meeting on June 7. As staff was preparing the amendment package for the public hearing, four additional Zoning Code sections needing clarifying amendments were discovered.

Attachment 1 includes the recommended additional amendments.

As you deliberate on June 7, staff recommends that you incorporate these additional changes into the amendment package.

As always, if you have any questions prior to the meeting, please do not hesitate to call (425-398-8900) or email (landerson@kenmorewa.gov).
